Our 2010 Summer Dance Intensive is a comprehensive four-week program designed for the serious dancer who is motivated to improve their craft. This intensive will encourage technical development and artistic growth through a variety of classes, and will emphasize repertory experiences in all dance disciplines. Taught by high-quality local and guest artists, the intensive is open to students ages ten or older. Our intensive provides a nurturing environment while adhering to a strong discipline of dance in the classroom. Students will spend countless hours working with active dancers their own age, and have ample opportunities to establish life-long friendships by sharing laughter, hard work, growth and achievements.

### Curriculum

Includes Daily technique classes in ballet, supplemented by classes in pointe and variations, character, jazz, modern, lyrical, improvisation, male technique, pas de deux, yoga and pilates.
