BALLET & CONSERVATORY PROGRAM

JUNE 20, 2011

Letter from the School Director

Greetings Dancers and Families,

It is hard to believe that our school year is coming to an end and our summer programs are beginning. Our Fall 2011 Schedule is now available and as the School Director of Canyon Concert Dance Center, I am excited about the continuation of our Conservatory Program.

This newsletter contains many details about this program and all that it entails. Please feel free to call our office with any questions that you have. We know that there is a lot of information to consider when deciding between the Conservatory and Non-Conservatory Programs and we are happy to help you in any way that we can.

Regards,

*Teri English
School Director*

A Letter from our Ballet Mistress

Dear students and families,

CCDC's journey to attain excellence in dance education is again on the upswing. Our response to our added programs, such as Ensemble, has been overwhelmingly wonderful. Bravo to our students who want to dance ...dance.... dance....!

CCDC is excited to be able to offer our Conservatory Program again this fall semester 2011, which will provide opportunities for students who seek more commitment and challenge in their dance. This unique program will be offered to Levels 5, 6 & 7. Dancers will take their regular level classes during the week, but will also have the opportunity to take 2 -3 Conservatory Program classes each week. These classes will be geared to the serious at heart student that yearns for more intensity and a continuance of our fine training system. The classes will be 2 hours each and will include pointe. This program will allow students to excel at a faster pace, from increased training hours per week. As I have mentioned before, increased hours per week of training, consistency in attendance and a tenacious work ethic, makes for a superb dancer and an enormously rewarding experience.

I hope you join in our excitement as we move forward in maintaining Northern Colorado's Premier Dance Program , where integrity of mind, body and spirit meets the art of dance.
